

FIFTIETH ANNIVERSARY EDITION.

ON June 15th, 1900, the "News" will celebrate its Fiftieth Anniversary. Saturday, June 16th, will be the opening of its 51st year, and on that date the paper will issue a specially enlarged and attractive edition in commemoration of the occasion.

The main feature of the edition will be an eight-page supplement, printed on fine paper, with numerous half-tone illustrations, depicting the growth and progress of our City, State and Nation during the fifty years past. A special feature will be a fine double-page view of Salt Lake City in 1900, with an accompanying view of the City as it looked in 1850. The front illustration will be an ideal figure of "Utah," drawn by the artist Mr. J. W. Clawson, who has used for his model the face of a well known Utah girl.

In addition to other attractive contributions, the issue will contain an article on the "Growth of the Church in Fifty Years," by B. H. Roberts; "The Progress of the University in Fifty Years," by Prof. Joseph T. Kingsbury; "Growth of Our Sunday Schools in Fifty Years," by George Reynolds; "Fiftieth Anniversary of the Opening of the Scandinavian Mission," by J. M. Sjodahl; "A Brief History of Utah Journalism," by Devolet of Salt Lake in Fifty Years," "Growth of Utah in Fifty Years," and many other timely articles by members of the "News" staff.

Another interesting feature of the issue will be the presentation to each subscriber of the daily, Saturday and Semi-Weekly "News" of a fac-simile of the first number of the paper issued—an exact reproduction of the "Deseret News" as it came from the primitive press brought over by the Pioneers, and printed June 15th, 1850.

This edition will have a widespread circulation, not only in the West, but throughout the nation, the "News" having arranged to circulate several thousand copies, as an advertisement for itself, through the boards of trade, hotels and libraries in all the important cities.

No display advertisements will be accepted for the illustrated supplement, but space will be reserved for a limited number of reading notices of business houses.

News-dealers and others desiring extra copies are requested to place their orders immediately, as a second edition will not be printed.
